

Gift set Spanish Star Winemaker Álvaro Palacios

CHF 82.80

Art. nr. 86223000

The dynamism and enthusiasm of Álvaro Palacios can be found in his wines, and his success has made him without doubt one of the greatest winemakers in Spain. The white Rioja Placet, made from Viura grapes, is creamy and powerful and has a tannic structure for a white wine with a noticeable minerality and full body. The Montesa seduces from the first sip with its aromas of violets and roses and its irresistible fruitiness of wild strawberries, black cherries and notes of dark chocolate, cinnamon and spices. A favourite of our clients and customers!

The set contains 3 bottles of 75 cl:

- 2 Rioja Crianza La Montesa, Palacios Remondo, Rioja, Spain
- 1 Rioja Placet Valtomelloso, Palacios Remondo, Rioja, Spain
