

Château Mouton-Rothschild

AC Pauillac 1er Cru classé, 1983

375 ml

Art. nr. 21011383

The wine has a very deep almost black colour. The nose is elegant and complex with aromas of blueberry, blackcurrant and blond tobacco blending with subtle flavours of cedar and spice—a finesse and density that one also finds on palate. The fine, well-integrated tannins reveal a remarkable structure and balance right through to the long, opulent finish. A great success for Mouton Rothschild that will get the best out of the exceptional qualities already recognised in the 2009 vintage.
