

# Syrah Obsidian Vineyard

Pax Wine Cellars, 2007

750 ml

Art. nr. 50042707

Deep purplish colour with brilliant hue typical of Syrah. A nose bursting with blueberry liqueur and herbs with aniseed touches. The palate is concentrated, driven by a strong minerality that balances the high level of tannin. The flavour profile is elegant with blackcurrant and plum that carry through to the finish.
