Art. nr. 62697200

An assemblage of 40 to 50-year-old Eaux-de-vie from the Premier Cru region Grande Champagne. The "Extra" Cognac reveals a unique bouquet that combines aromas of coconut, passion fruit, dark chocolate and nutmeg. Its fascinating complexity lies in the successful balance between power and finesse. On the palate, it reveals generous flavours reminiscent of cedar, white pepper and toasted wood. With a lot of harmony, complexity and length on the palate, this rare drop of Cognac will completely convince lovers. Enjoy it pure. By the way, it also goes well with Cuban cigars. At the Wine Spirit Competition 2012, this cognac was awarded a trophy and a gold medal. At the San Francisco World Spirits Competition 2017, it achieved double gold.
