

Brombeer Edelbrand 2015

Edelbrandmanufaktur Wilhelm Marx, Deutschland,
350 ml

350 ml

Art. nr. 62924315

The fruits for this noble distillate made from blackberries are harvested from old and wild cultures, which grow in a clearing near the farm in the lower Bavarian forest and absorb the unique climate of this wild nature. In order not to lose any of its ingredients, the freshly harvested fruits are immediately cleaned and purified and then gently macerated and distilled.
