La Clarté de Château Haut-Brion is the second wine of both Haut-Brion Blanc and La Mission Haut-Brion Blanc, produced from the declassified selections from both estates. The blend of Sémillon and Sauvignon Blanc exudes vibrant scents of lime and lemon zest and key lime pie as well as some hints of sea spray and straw. Also on the palate the medium to full-bodied white wine shows its citrusy character with some attractive creaminess and a touch of wet stone.
